Dear Mr. Gunderson:

Enclosed please find a copy of the Industrial Area (IA) Data Summary Report. The U.S. Environmental Protection Agency, Region VIII, and the Colorado Department of Public Health and Environment have commented on an earlier version, and we are not asking for their review or approval of this document.

This report represents the starting point for data qualified to support characterization of the IA and the Comprehensive Risk Assessment. The IA Data Summary Report contains a compact disc (CD) with analytical data that has passed the IA Data Quality Filter. Maps of sampling locations are also included. To open the CD requires at least 128 megabytes of computer memory.

If you have any questions related to this report, please contact me at (303) 966-5918 or Norma I. Castaneda at (303) 966-4226.

Sincerely,

Joseph A. Legare  
Assistant Manager  
for Environment and Infrastructure
